

## Public Power Week!

**Klickitat PUD**  
Owned By Those It Serves

Klickitat PUD offices will have an "Open House" Tuesday, October 5, in celebration of Public Power Week.

Come enjoy free beverages and cupcakes, and pick up some brochures!

**Public Power Week**  
**October 3-9, 2004**

## Reading Your Meter is as Easy as Clockwork

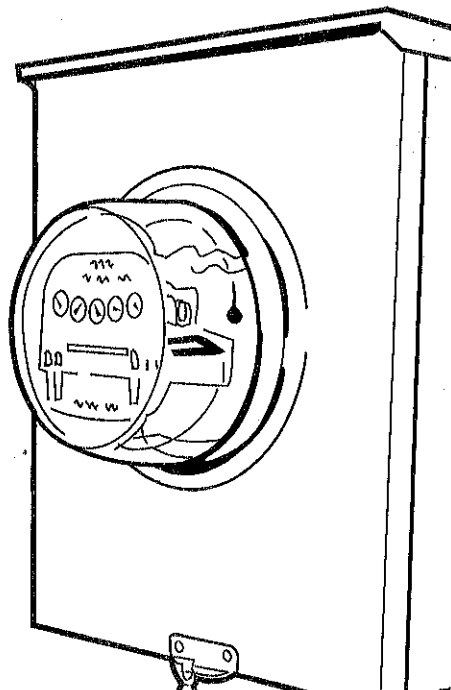

Klickitat PUD's rural customers are being reminded to read their meters monthly.

It is best to read your meter the same day each month—either on the 10th or the 20th day of the month, or on the same day you pay your bill.

Without an accurate monthly reading, our computer "guesses" how much electricity you have used and produces an estimated billing.

Customers on our budget program need to continue reading their meter monthly to keep track of actual usage.

Reading your meter is easy. Simply write down the numbers shown on your meter, from left to right, the same way you read the odometer on your car.

Submit your reading to Klickitat PUD monthly, choosing one of the following options:

- Record the date and meter reading on your bill stub and return it with your payment.

- Call in your meter reading to the KPUD's 24-hour phone service at: Goldendale, (509) 773-7618 or White Salmon, (509) 493-9552.

- Submit your reading electronically on the KPUD Web site: [www.klickpud.com](http://www.klickpud.com). Just click on the picture of a meter and enter your account number and meter reading.

If you have questions about reading your meter, call (800) 548-8357 or (509) 773-5891.
