

KPUD Joins White Salmon Festival

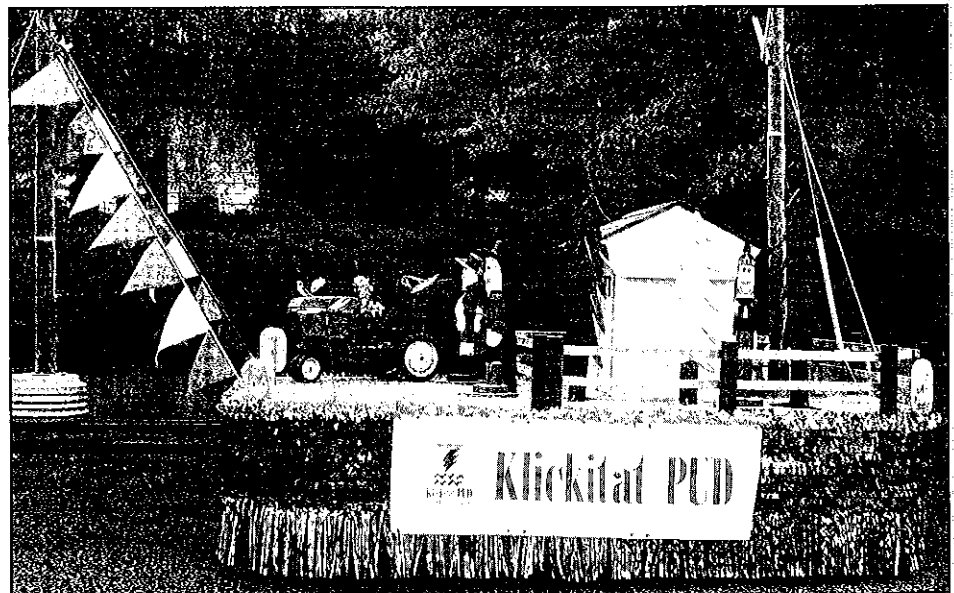

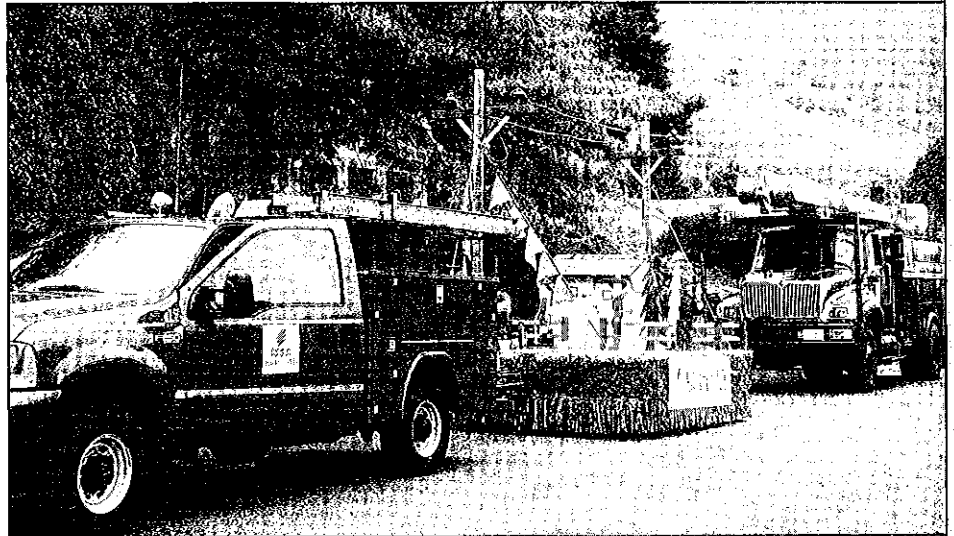

Klickitat PUD (KPUD) joined the community of White Salmon on Saturday, May 21, in celebrating its annual White Salmon Spring Festival.

Ed Lexa of KPUD's White Salmon line crew drove the bucket truck in the parade. Kathy Loveland and her son, Ryan, manned the KPUD float. Kathy drove the truck pulling the float with Ryan helping to distribute KPUD pens and pencils to onlookers.

The parade was a success, and White Salmon enjoyed another year of Spring Fest activities. ■
