

Air Source Heat Pump Rebates Up to \$500

Conservation Rebate Program

Rebates are available to Klickitat PUD customers who want to add or replace a qualifying heat pump at their residence. The rebate is for existing residences that are primarily heated by an electrical source.

Call or come by the Goldendale office, and our Energy Services Specialist will answer your questions about heat pumps and furnish you with a heat pump buyer's guide and the rebate paperwork.

To make this affordable, Klickitat PUD will lend qualifying customers the money to install the heat pump at 4.9 percent APR fixed interest with the choice of a 1- to 7-year payback time. After the installation passes inspection, the rebate amount is taken off the original loan amount and the loan balance is added to the customer's electric bill.

Weatherization Rebates Up to \$500

Our residential weatherization program assists homeowners in retrofitting their homes to make them more energy efficient. Site-built or permanently installed mobile homes that are primarily heated by an electrical source and are existing residences, qualify for this program.

Weatherization includes installing or adding insulation, replacing any single-pane window or double-pane aluminum windows with Energy Star®-rated windows and sealing the ductwork in your home.

Loans are also available for these installations and specifications are the same as above.

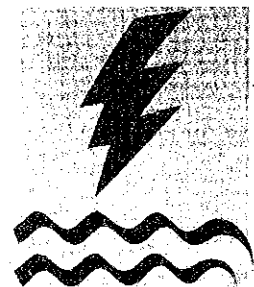

Become one of the more than 650 customers who have taken advantage of this energy-saving

program, but don't delay because the offer is only good until the end of September 2006.

Call (509) 773-7622 or (800) 548-8357 for details on the program requirements. You can self-install any of these measures, but if you use a contractor you are required to use one of our authorized contractors.

For a list of Klickitat PUD's authorized contractors for heat pumps, weatherization or duct sealing, contact the Energy Services department at the above phone number. Don't wait until it is too late—call a contractor today for a free estimate! ■
