

Familiar Faces Take New Places

Gunkel remains board president

Every two years, Klickitat PUD's commissioners elect officers among themselves.

On January 9, the commissioners voted to retain Dan Gunkel as president of the board for another two years.

Voting for the vice president and secretary positions resulted in a swap, with Ray Mosbrucker becoming vice president and Randy Knowles, secretary. ■

KPUD Launches Great White Fleet

The Klickitat PUD Board of Commissioners voted February 6 to change the color of the utility fleet from red to white.

The change will reflect a cost savings of approximately \$10,000 for 2007 vehicle purchases alone.

The first of the new white fleet has already arrived. The vehicles will still be easily identifiable with the PUD's red and blue logo on the doors.

For a tribute to the old red fleet color, see the back page. ■
